

## Dave Vamfer - Press Reviews

'The songs are reflective and thought-provoking. The vocals and lyrics ooze the optimism you usually find in Paul McCartney songs...The uplifting melodies and jangly guitars perfectly compliment Vamfer's soft and calming sound'. - music review in 'Jazz.U' magazine - May22.

**'Dave Vamfer is an intriguing artist for 2022 with his latest release "Tricks of Life Medley." The songs are filled with wisdom, and a unique vocal and lyrical approach that will stand the test of time. Throughout "Tricks of Life Medley," is a solid release that is filled with vibrant and brightly strummed guitars, and a dose of sunshine optimism'. - Blog IndependentArtistsBuzz-Jun22.**

'From the very open the release wastes no time to get started. The songs builds themselves up into a sense of true joy which has you captivated right from the start. Bright, brilliant bursts of noise help to punctuate the entirety of the release. Vamfer's vocals have a commanding presence for it holds nothing back. His lyrics still possess that sense of beauty about it, just as fresh as it was when it was first penned'. - Emily Hinde, The Indie Source-Jun22
